To Whom IT May Concern:

I have known Mr. Abdullah Salem AL-Salloum as an outstanding student in my class. He earned a solid "A" in my Management of Information Systems course in the Masters of Business Administration Program at Gulf University for Science and Technology (GUST).

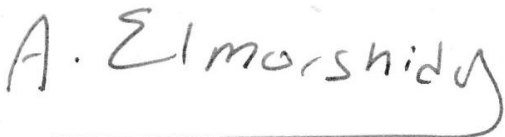

Mr. Abdualah is a hardworking and determined person with a very organized style of thinking, logical reasoning and critical analysis. He always exceeds minimum requirements and performs excellent work.

He has demonstrated a high level of commitment and persistence in my classes. He is further a very respectful person with high morals and manners.

I'm not complementing Abdullah but he is really one of the best students in my class. I highly recommend him for any available promotion or position with you.

If you have any questions, please don't hesitate to contact me at 2530-7345 or by e-mail at morshidy.a@gust.edu.kw.
