To Whom It May Concern

It is a genuine pleasure and honor for me to recommend **Abdullah Salem Al-Salloum**. He is very much a team player, always punctual, yet easygoing. He is keenly devoted to his studies, but being a real person, he is also enjoyable to be around.

He demonstrated from early days of his courses that he understood what he wants. He is well organized and thrived under adversity. He is quite aware of the bottom line, aware of the value of Universities.

I should also indicate that I consider him to be one of the best students I ever taught. He is extremely kind, cooperative and respectful to others. I have never known him to shy away from difficult problems.

Abdullah Salem Al-Salloum is one of the most outstanding students I have had over my academic years.

In closing, let me say I have no hesitation in recommending **Abdullah Salem Al-Salloum** for any intention.

Sincerely,

Naser I. Abumustafa, MBA, PhD
