LETTER OF RECOMMENDATION

It gives me a lot of pleasure to recommend Mr. Abdullah S. Al-Salloum for a prospected career at your respected organization. I have known him for the past three and half years as a student in the Computer Science (CS) department at the Gulf University for Science and Technology. During our association, as an instructor and head of the department, he has a good ability to tackle problems, proposed solution and masters new tools and programs.

I taught Abdullah the following courses where he showed excellent performance:

1. CSC1250 Introduction to Computing Grade B
2. CSC2250 Programming & Data Structure Grade B-
3. CSC3000 Discrete Mathematical Structures Grade B-
4. CSC4010 Web Programming Techniques Grade A-
5. CSC4020 Java and Internet Programming Grade A

I recommend him for an academic position or an IT career at your respected organization. I wish him all the best in all his future endeavors.

Yours sincerely,

Salah Al-Sharhan. Ph.D.
